

Community 2168

A learning and support program for children 8 to 12 years living in the 2168 postcode

Using age appropriate games, and creative and cultural activities, Community 2168 supports children to learn about:

- Healthy Relationships
- Understanding Emotions
- Anger Management
- Healthy Lifestyles
- Communication
- Cultural Sharing and Identity

The program is also about young people enjoying themselves and, importantly, developing healthy, positive peer relationships.

Community 2168 is funded by the Department of Education and facilitated by The Junction Works' Youth Clicks team. It operates after school and during school holidays from within participating Public Schools.

The program is free for schools and participants.

If your Public School is located within the 2168 postcode and you are interested in having this program operate at your school, please contact The Junction Works for more information.
